Absentees: L. Carlson, J. Fenton

Commissioners: D. Schulz, J. Hart

Secretary:

Visitors: Rick Donaldson, Dave Schenk, Bob gates

Beau welcomed Jim Hart

1. Report Twin Bridges Airport:
 - a. Airport Conditions: Beacon is down and the red light is out. Both problems are being repaired. Everything else is in good condition.
 - b. Airport Improvement Projects Update: See attached report from Rick Peccia and Associates
2. Report Ennis Big Sky Airport:
 - a. Airport Conditions: See attached report from Bob Gates. Barbie will check fuel prices at the beginning of each month and advise Bob on fuel prices. Bob will research costs to upgrade the filter system
Airport Improvements Projects Update: See attached report from Robert Peccia and Associates. Discussion ensued regarding the well. Historically the County has maintained the well. The windsock pole needs replacement soon. The base of the pole is in need of repairs. Rick will look at the pole for assessment. Bob will research costs to upgrade the filter system.
3. Airport Affected Area: Discussion regarding comments from Ted, Doris and Beau. Rick is working on the document.
4. GPS Update: Nothing new at this time
5. New Business:
6. Public Comment:
